PROFESSIONAL SUMMARY

Philosophical writer, published multilingual author, and narrative strategist with over 15 years of creative writing experience across digital publications, literary hubs, anthologies, and multi-sensory media. Built a robust foundation through hands-on technical upskilling (2004–2006) and 19 years in corporate IT systems and operations (2006–2025). Currently taking a career break for health reasons, dedicating focus to creative writing, storytelling, advocacy through content creation (2012–2026), mental health advocacy, urban design proposals, and multi-format audio projects. Deeply committed to human-authored narrative depth across English, Tamil, Hindi, and Telugu, leveraging AI strictly as an auxiliary tool for formatting, audio synthesis, and visual layout.
